Jasmine Ortiz

People Analytics Analyst · Austin, TX
jasmine.ortiz@example.com · (512) 555-0186

SUMMARY

Analyst in people analytics for four years. I turn HRIS data into decisions about hiring, retention and pay equity.

EXPERIENCE

People Analytics Analyst — Fernway Health (Oct 2022 – Present)
• Built Tableau attrition dashboards used by 60 HR business partners
• Modeled turnover risk in Python with logistic regression; presented Statistics to leadership
• Rebuilt the HRIS reporting layer in dbt on Snowflake

HR Data Analyst — Copperleaf Retail (Sep 2021 – Sep 2022)
• Wrote SQL against Workday exports for monthly HR headcount reporting
• Automated Excel reports for 14 regional managers

SKILLS

SQL, Python, Tableau, Statistics, dbt, Snowflake, Excel

EDUCATION

B.A. Economics, University of Texas at Austin (2021)
