Mei Chen

Senior Product Designer · Brooklyn, NY
mei.chen@example.com · (718) 555-0112

SUMMARY

Product designer for B2B SaaS for six years, most recently in HR tech. I run my own research and ship production-ready Figma.

EXPERIENCE

Senior Product Designer — Rosterly (HR tech) (Apr 2022 – Present)
• Built and maintain the Figma design system used by 30 engineers
• Run User Research and Usability Testing every sprint with HR admins
• Led an Accessibility audit to WCAG 2.2 AA

Product Designer — Stackwise SaaS (Jun 2020 – Mar 2022)
• Shipped interactive Prototyping for enterprise onboarding
• Pair with engineers on HTML and CSS for design QA

SKILLS

Figma, User Research, Prototyping, Design Systems, Usability Testing, Accessibility, HTML, CSS

EDUCATION

BFA Interaction Design, Parsons School of Design (2020)
